## DRIVING INSTRUCTIONS

### Before you start...

Make sure you have proper snow tires or chains. You will not be able to cross the mountains without snow tires, as there are checks on the way. If you rent a car, make sure it has snow tires.

### Get your Navi set...

There are several ways to get your car navi set for your stay at TwinTips Apartment.

The easiest is to select phone and enter **025-783-5166**. Then select ツインタワー石打 and you're set to go. If that doesn't work, choose address *Niigata-ken* (新潟県), then *Minami-Uonuma-shi* (南魚沼市) then *Ishiushi* (石打) followed by 986-2.

The third option is to search by name (50音) and write “ついんたわー”. Hit go and select “ツインタワー石打”.

*Just in case all above fails or your Navi blows up, here are some instructions from Tokyo.*

#### *From Hiroo:*

Take Tengenji entrance of the expressway towards kita-ikebukuro, follow the signs for the kanetsu expressway. At the Gaikan, veer left and then take a left towards oizumi (the start of the kanetsu expressway). Take exit 16 on the kanetsu expressway (Yuzawa). At the first intersection take a right on route 17, travel approx. 4km and you will see a sign with a hot air balloon on the left hand side of the road, turn left there (*this sign creeps up on you and can be hard to see when there is lots of snow, so drive slow*) Twin Tower Ishiuchi is at the top of this road.

#### *From Yoyogi/Shibuya:*

Take the Tomigaya entrance on yamate-dori towards kita-ikebukuro, follow the signs for the kanetsu expressway. At the Gaikan, veer left and then take a left towards oizumi (the start of the kanetsu expressway). Take exit 16 on the kanetsu expressway (Yuzawa). At the first intersection take a right on route 17, travel approx. 4km and you will see a sign with a hot air balloon on the left hand side of the road, turn left there (*this sign creeps up on you and can be hard to see when there is lots of snow, so drive slow*) Twin Tower Ishiuchi is at the top of this road.
